- NOTES:
- All CMA Nova Scotia prices are in effect until January 31, 2008 and are subject to HST, except tuition fees. CMA PEI fees are inclusive of applicable taxes.
 - Please note that International Business remains a CMA prerequisite course, however, it is recognized that this syllabus requirement is often satisfied within the scope of other university courses. For this reason it has not been included as a separate item in the above list.
 - Athabasca University is Canada's distance-education leader and offers all prerequisite courses by correspondence. For more information visit at www.athabascau.ca.
 - While every effort is made to ensure the accuracy of these listings, the topics and courses are subject to change and are provided here simply as a guide. Please contact CMA for the most up-to-date guidelines.
